

Áras an Uachtaráin Visit

On Saturday, 27th June we travelled by coach to Dublin to visit Áras an Uachtaráin. When we arrived there, at approximately 2:30pm we were greeted by the president's wife, Sabina Higgins. She invited us to tour the house at our leisure. Following this we were given the opportunity to view the formal gardens while a trad group and piper provided the music. On the main lawn, music was provided by the Donegal Town Community Band. At 3:45pm we were invited to the Marquee where we were served with refreshments. Here entertainment was provided by Deetrich and the Swing Cats.

A most enjoyable and memorable day was had by everyone and is to be recommended for future group visits.
